Crime Watch Coordinators and Block Captains:

The Citizen Police Academy is a unique program that provides insight to the public on operations of our department. This is an eleven week program that allows citizens of Carmel to experience first hand the police role in the community. It also allows citizens to get to know the dedicated men and women who protect our welfare and safety on a more personal basis.

The instructors are all members of the Carmel Police Department. They will provide instruction and information concerning a particular area of their profession.

The Carmel Police Department Citizens Academy is not a police officer candidate school, but a means by which the department can allow the citizens of Carmel to see first hand how the department operates.

Sessions include criminal investigations, evidence room tours, complaint processes, DUI enforcement, DRE enforcement, a tour of the new Command Vehicle, a look at the operations division, observations of police vehicles, Spanish, special investigations, K-9 demonstration, emergency vehicle operations, terrorism, SWAT, Use of Force Continuum/Gun Safety/Taser/Firearms Automated Training, ethics, and traffic stops.
